

Mill rate tabled to special meeting

Elk Point's 1993 mill rate was discussed at length during last Monday's regular meeting, but a final decision was held over to a special meeting set for late yesterday. A loss of \$153,000 in assessment on local appeals, added to an increase in school requisitions and a decrease in interest stabilization, may cause a significant rise for Elk Point ratepayers.

A meeting to discuss the proposed Community / School complex was set for Tuesday, June 29 at 7:30 p.m. Organizations within the community will be invited to send representation to the meeting.

A combined Town and

Chamber Economic Development committee has found it impossible to schedule a workshop before the summer months, and has moved the one evening, one full day event to September 7 and 8. The costs for the workshop, including provision of a facilitator, will be covered by the Northern Alberta Development Council. Vern King, who is helping to organize the workshop, feels "optimistic that good things will come of this."

Due to summer vacations, Council agreed to cancel their second meetings in both July and August. The regular schedule will resume in the fall.

The subject of Elk Point's very first bylaw - dogs - continues to be a problem which crops up from time to time. Elk Point is once again plagued by barking canines who disturb residents' sleep, prompting calls to the Town Office.

Barkers beware

Mayor Ed Buck is among those who has filed complaints, and says that when the bylaw officer approached one dog owner whose animal was accused of barking, the owner denied that that particular animal was to blame. A suggestion was made that one means of positive identifi-

the barker in action. Enforcing the dog bylaw is not easy, because Elk Point has no dog-catcher nor a pound in which to keep animals which are picked up. The bylaw officer does answer dog complaints, but only works part time.

Problems with dogs chasing and biting people have also been noted.

The Town is contemplating sending letters to owners of problem dogs quoting the bylaw regarding barking dogs, and saying that legal action will be taken if the owners do not comply.

Anyone with dog complaints are urged to send or deliver them to the Town Office.

Abandoned and unsightly buildings were also on the agenda. The Administrator was asked to look into what Town bylaws say in this regard, and also to look into ways to deal with them.

Budget cutbacks also caused abandonment of the Town's flower planters. A suggestion that each Town Councillor adopt one of the boxes did not get good response, but one Councillor volunteered to purchase plants if Public Works would do the watering. This evolved into three Councillors volunteering to do the planting. This has now been done, and things are expected to blossom from here on.

HANDS-ON COUNCILLORS - Three members of Elk Point Town Council took town beautification into their own hands after the purchase of flowers for planters was the victim of budget cuts. Mae Hendrickson, Vern King and Dan Povaschuk turned up with plants and shovels Tuesday morning and soon had the Town Office planters greening up. Little helper Justin Povaschuk is getting an early start at helping out his community with hands-on volunteering.

Chamber winds down for summer break

Elk Point Chamber of Commerce held their final meeting prior to the summer recess on June 16, but this does not mean an instant end to their activities.

Instead, they will be very busy getting ready for the Canada Day Pancake Breakfast, 7:30 to 11:00 a.m. on Thursday, July 1, with volunteers from the business community volunteering to do the numerous tasks associated with the annual event.

A number of merchants are planning to greet visitors to Elk Point on July 2 and 3 with a Sidewalk Sale. This is the third year in a row for some businesses to be involved, and it is hoped that more will join in for this popular promotion.

Heather West of Northern Lights Library System introduced Colette Taber to the Chamber. Ms Taber will replace Ms West as director of the System in early July, and is presently involved in learning her new duties.

Dave Yake reported that the Economic Development workshop sponsored by the Northern Alberta Development Council has been delayed until fall due to lack of time to hold the one evening, one full day event. Letters inviting local involvement will be sent out in July, with a followup in August.

The Chamber's next meeting will be on Wednesday, September 1.

HPS Street light changeover complete

Alberta Power crews have now completed Elk Point's changeover of 124 mercury vapor street lights to the more modern and energy saving high pressure sodium variety. Twelve street lights were already of the latter type, which give a yellow light as opposed to the white light

of the mercury vapor variety.

The Town agreed to purchase all 136 lights from Alberta Power for the sum of \$200 each, and to pay the conversion fee of \$172 for the mercury vapor lights. Including GST, the purchase cost the Town \$51,924.96. With the

ELK POINT AGRICULTURAL SOCIETY'S 2nd ANNUAL SPRING CLASSIC STAMPEDE

ENTRIES WANTED - Local Junior Steer Riders and Businessmen's Wild Cow Milking Ph. 724-3890 or 724-3942

RETURNING TO LEGISLATURE - Progressive Conservative incumbent Steve West is shown with wife Marie following his decisive victory in the June 15 Provincial Election. He will serve as MLA for the expanded constituency of Vermilion - Lloydminster.

Spring Classic Stampede part of Canada Day celebrations

Josie Veer
Rodeo Chairman

Once again, the Elk Point Agricultural Society Rodeo Committee is gearing up for the rodeo. The Spring Classic Stampede was postponed on May 8 and 9 due to much needed rain. Our committee decided to hold the rodeo on June 30 at 6:30 p.m. and July 1 at 2:00 p.m. with the slack performance at 9:00 a.m. on July 1. With the rodeo being held the same time as the Canada Day celebrations, there is some great entertainment for the whole family.

The Spring Classic Stampede is sanctioned by the Lakeland Rodeo Association

**Don't Miss the
CANADA DAY
GOSPEL CONCERT**
Sun., June 27 - 7 p.m.

and will be having the 7 major events, Saddle Bronc, Bareback, Bull Riding, Steer Wrestling, Calf Roping, Team Roping and Ladies' Barrel Racing. We also have two junior events, Junior Barrel Racing and Junior Bull Riding. The rodeo stock will be supplied by Les Trach Rodeo Co. of St. Paul, AB. Les Trach supplies stock for many of the Lakeland rodeos and has won many awards for his bucking horses and bulls.

Kids! Don't forget to get entered up in the Local Junior Steer Riding with yearling cattle being supplied by a local farmer. You may not enter the Local Junior Steer Riding if you are entering the Junior Bull Riding. This is for kids 10 to 14 years of age.

Again, we invite the local businessmen to get entered up in the Businessmen's Wild Cow Milking, and you certainly won't want to miss the "Suicide Ride." There will also be a lot of action for the timed events as we have added a "Pendleton Run" to the grounds. To round out the activities, why not stop by the concession booth and the beer

gardens? The younger set will want to take in the Petting Zoo supplied by the Heraid family.

On the evening of June 30 you can dance the night away to a double bandstand in the A.G. Ross Arena. We have two dynamite bands supplying the music, K.C. Jones and Prairie Ramblers.

The place to be if you're looking for entertainment is definitely Elk Point, for the Spring Classic Stampede and Canada Day Celebrations, June 30 and July 1, with other events taking place during the week as well: a Gospel Concert on June 27, a Street Dance on June 29 and a breathtaking performance of Canada's own Sky Hawks Parachute Team on July 2.

Businessmen and Local Junior Steer Riders, please get your entries in as soon as possible to Josie at 724-3030 or Shauna at 724-3942.

All tickets that were handed out to the Elementary School children for the May 8 and 9 performances, as well as our Sponsors and Dignitary passes, will be honored at the rescheduled performances.

Clandonald competitor wins Dewberry race meet

Stan Robertson of Clandonald set the pace at Dewberry's annual Chuckwagon Race Meet, winning top day money both Saturday and Sunday in addition to the Chuckwagon Championship trophy presented by Border Credit Union, Dewberry.

Robertson braved a muddy track in a heavy shower for Saturday's final heat where he clocked a time of 1:11.38. Wayne Knight took second day money with 1:11.47, with Ross Knight coming in at 1:11.67. Wayne Knight's other outfit at 1:12.07 and Herman Flad at 1:12.31.

Sunday's times were noticeably faster as track conditions improved, with Robertson having a 1:09.21 run, Ray Croteau second at 1:09.70,

Bert Croteau at 1:10.16, Jim Knight at 1:10.21 and Buddy Bensmiller at 1:10.38.

Robertson totalled 2:20.59 for the two days, close to two seconds faster than second place Wayne Knight with 2:22.45. Jim Knight was third overall with 2:22.59, Herman Flad fourth with 2:22.88 and Ross Knight fifth with 2:23.01.

The Best Barrelling Outfit trophy from Dewberry Data Service and a \$100 cash bonus donated by Mabel and Bernie Garnier for the fastest track time of the two days also went to Robertson.

The Best Dressed Wagon award, presented by Meredith Whiteside UFA was presented to Ray Croteau.

The Hard Luck Driver award of \$50 from G.B. Holdings of Dewberry was won by Rick Rainey, who had the misfortune to lose a horse and could not run Saturday evening.

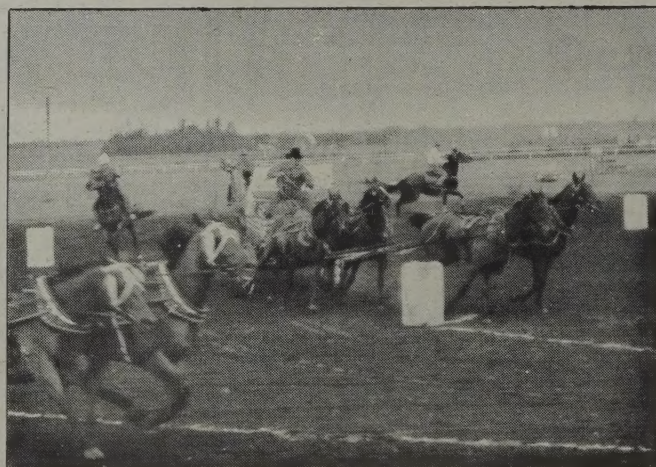

Best Outrider trophy, donated by the Goldsmith fa-

mily, went to Wayne Wright of Blackfoot.

Dewberry also held a Heavy Horse Pull. First prize, donated by Grey Eagle Holdings, Sam and Marie Butz and Family, went to Bruce Saint of Ardmore, as did an award sponsored by Ervin Garnier. Second prize, sponsored by Dewberry Woodworks, went to Henry Brertton of Saddle Lake, while third prize from East Alta Co-op, Dewberry, went to Allan Bensmiller of Dewberry.

Wild Pig Race winners were Shane Cusack, John Cusack, Adam Kinsella, Shaun Rolston and Derek Cusack. Derek Cusack was also the winner of the Pony Races, winning an award presented by Lloyd's Spill Services of Isley.

The next Northern Professional Chuckwagon Association action comes June 26 and 27 at Wainwright, with 50 to 60 wagons competing, beginning at 6 p.m. each day.

HITTING THE TRACK - Hometown competitor Buddy Bensmiller (black hat) wheels his tenth heat outfit onto the track at Dewberry Saturday night. Unfortunately, equipment problems cost him the race, a big setback for the veteran driver who set a new track record at last year's show.

Street lights

(Continued from Front Page)

lower rate paid by a municipality which owns its own lights, and the saving in energy use, the Town will save an estimated \$887, or \$10,644 per year. With the GST rebate, this will enable the Town to pay for the purchase with their savings in less than five years.

The Town has taken a \$13,945 debenture, which will be paid in five years.

The lower rate became effective at the beginning of May, so although the new lights were not installed that soon, the Town has already had a month of savings toward the project.

Alberta Power sees the purchase and changeover as a good example by the leadership of the community and their commitment to saving energy.

Last Regular Consignment Sale of the Summer

Sunday, June 27 -- 1:00 p.m.

Lots of miscellaneous items, furniture, appliances. Everything sells.

What's Happening At COMMUNITY SERVICES

A big welcome to Tracy Pratch who is this year's Summer Play Coordinator. Tracy bings with her, previous experience as a Play Leader and a lot of enthusiasm and great ideas!

Elk Point Community Services' Summer Play Programs will be starting on July 6 and running to August 17. There will be two programs, **Sun Spots** which will be for four, five and six year old children and **Fun In The Sun** which will be for children between the ages of seven and twelve years. Sun Spots will run Tuesday and Thursday mornings from 9:00 to 11:30 and Fun In The Sun will run every weekday afternoon from 1:00 to 3:30.

Our Summer Play Programs are shortened again this year due to a reduction of grant assistance from the federal and provincial governments. As a result, we need and encourage any assistance which parents and the public can provide. Parent involvement will ensure that we will be able to continue to provide the best possible programs at an affordable cost. Registration forms are available at the Community Services Centre Office. The fees

for these programs are: \$40 per child enrolled in Fun in the Sun; \$25 per child enrolled in Sun Spots.

There will be an additional \$40 fee for parents who do not participate in the volunteer component of the program. Registration numbers will be restricted to 15 children in each program. To ensure placement for your child, please register early. Registration will occur on a first come, first served basis. **Payment must accompany the registration.**

For more information about the Summer Play Programs, please feel free to contact Terri or Lynn at Community Services, 724-3800.

Registration deadline is Friday, June 25, 1993.

SKY HAWKS CANADIAN FORCES PARACHUTE TEAM IS COMING

On July 2, 1993 at 7:30 p.m. the Canadian Forces Parachuting Team, the Sky Hawks, will perform for the town of Elk Point. They will be performing at the north end of town, just west of Highway 41. For more information regarding the exact location, please contact the

It's time to register for summer play!

Community Services Centre at 724-3800. So mark this time on your calendar and be sure to be there.

SUICIDE PREVENTION WORKSHOP

A Suicide Prevention Workshop will be presented by Fran Auburn, the Suicide Prevention Coordinator. Along with prevention she will also cover the Grieving Process for the Survivors. This workshop is co-sponsored by the Elk Point Community Services, County of St. Paul FCSS and the Family Violence Support Group.

It will be held at the Elk Point Community Services Centre on Wednesday, June 23 at 7 p.m.

VIDEO TO BE SHOWN ON

COMMUNITY CHANNEL
The Sky Hawks Canadian Forces Parachuting Team video will be shown on the Community Channel at 7 p.m. from June 16 to 23.

TENNIS NEWS

Danny Maas
Tennis Instructor

Now that summer is upon us, here is what to expect from the Summer Tennis Program:

FOR KIDS: I will be at the tennis courts weekdays to supervise the courts, organize activities and supply tennis equipment. Tennis practices will remain at the same time. As well, Fridays will be our mini-tennis tournaments at around 1 p.m., and we anticipate more inter-club competitions with kids from St. Paul. Remember, drop in any time to the tennis courts for a lot of tennis fun!

FOR ADULTS: Practice times will remain the same, but remember that I'll be here all day in case you'd like some instruction or practice at any time! Also, all adults interested with some friendly competition with some adults from St. Paul can call me and I will attempt to set something up with the St. Paul Tennis Club.

Also making news at the Elk Point Tennis Club, we will soon have Tennis Club t-shirts for sale at a cost of \$15. Our proceeds will help to offset the cost of our tennis program, so please consider purchasing one of our t-shirts from me at the tennis courts.

Before I wrap up this week's Tennis News, I'd like to thank Ron and Sharon Smith at Home Town Grocers for their support of our club in terms of discounts on slurpees and slurpee containers for the kids. We really appreciate it, especially on these hot summer days!

Come ride with us!!

Charlene Baker
CEF Instructor

Once again the Vermilion Lakeland College Equine Centre is hosting another week long **CEF Riding School** July 12 through 16. This course is for individuals, both beginners and experienced riders, who want to improve their basic horsemanship skills. This five day course will follow the **Canadian Equestrian Federation Western Riding Program** guidelines, which is made up of four Rider Levels designed to progress through the basic horsemanship skills. Participants will be taken through the program at their own pace and taught nationally approved methods of caring for, handling and riding the western horse.

At the end of the week the students are presented with an evaluation sheet on their riding skills and given ideas where their riding skills could improve, or if they are at an acceptable level and ready to take any of the Rider Level exams and be certified if they wish. At all times, safety is a concern and stressed as a very important aspect of the program. Time will be allotted for theory, practical riding skills, special interest areas such as showing, reining, barrel racing, etc., as well as some free riding time. In the past, the school has been at-

tended by an equal mix of both youth and adults, beginner riders learning the basics and experienced riders brushing up their skills to carry on and be CEF Certified.

This course will be instructed by two CEF Certified Level II Coaches, Charlene Baker and Josie Veer. The college boasts a beautiful campus complete with student residences, cafeteria and recreation facilities, including an indoor swimming pool, squash, racquet ball and tennis courts, plus movie nights. Parking will be available on campus for individuals with camper trailers or motor homes. Students will be required to bring their own tack and horse, plus feed. Stabling will be available in the Equine Centre and a limited number of College horses are available for rental for the course.

Horsemanship and riding should be fun, but it is only fun when there is an element of control and safety. The CEF Western Riding Preparation Program is an excellent introduction to safe basic horsemanship skills for any beginner rider and horse owner, or any experienced rider wanting to brush up on their skills. For more information on the CEF Summer Riding School please call Continuing Education at the Vermilion Lakeland College and come ride with us!

SUMMER PLAY

July 6 to August 18, 1993

FUN IN THE SUN (7-12 year olds)

- Meets every weekday afternoon from 1:00 p.m. to 3:30 p.m.
- \$40.00 per child
- First 15 children accepted

SUN SPOTS (4-6 year olds)

- Meets every Tuesday & Thursday morning from 9 a.m. to 11:30 a.m.
- \$25.00 per child
- First 15 children accepted

NOTE — There will be an additional \$40. fee for parents who do not participate in the volunteer component of the program.

**For more information call Community Services at 724-3800
Registration Deadline -- June 25, 1993**

Thank You

I would like to express a sincere "thank you" to my campaign team, the many hard-working volunteers and everybody that supported me during the recent provincial election.

Your loyalty, hard work and dedication will always be remembered.

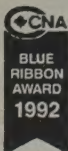

Also congratulations to Paul Langevin and thanks to Eugene Houle for making the provincial election an interesting campaign.

John Trefanencko -- P.C. Candidate

A NEW LIGHT ON SAVINGS - Alberta Power crews changed over Elk Point's street lights to the energy saving high pressure sodium type, which will cast a golden glow over the time while saving a considerable amount on electricity bills.

TACO TIME AT ELEMENTARY - Darlene Harper (left) constructs a Mexican taco for Chantelle Maas during last week's International Dinner at Elk Point Elementary School. Grade 5 students enjoyed an immense variety of foods from sixteen cultures around the world, with everything from Norwegian Lefse to South African Hoecake on the menu.

Our Past

By Steve Andrishak

Many of our early settlers came to our district from the United States. To name a few families, there were the Bartlings, the Milhollands, the Lambrights, the Smiths, O.J. Fish, Pete Keitges, E.A. Bullis, Oscar Holthe, the Magnussons, the Caskeys, the McGinnis family, as well as many others. These families continued to observe many of the major U.S. holidays long after they arrived in our district.

The 4th of July, which was Independence Day, was one American holiday all our early American settlers celebrated. It was also the day they set aside to hold their annual Sports Day. It became known to all surrounding towns and villages that July 4 was Elk Point's special day and seldom did they compete with Elk Point with their own celebration. Now and then the 4th of July celebration had to be cancelled because of rain. It was always postponed to the following 4th of July. This event staged by our early American settlers just wasn't the same if it couldn't be held on Independence Day.

'Baseball,' being America's national game, was always the main attraction at these sports days. Participating teams came from St. Paul, Vermilion, Ardmore, Cold Lake, Mooswa (Lindbergh), Glendon, Dewberry and Elk Point. During the early years, most of the towns, villages and farm communities all had good baseball teams and were very competitive.

Many of our early sports days were held in the spacious area just a little south of where our Catholic Church stands. In the late 1920s and 1930s this entire area was va-

cant and was an ideal location for holding this mammoth event.

There were many events staged at these celebrations. Besides the Senior baseball event, an 8 team Junior baseball and a ladies softball event were also staged on adjacent diamonds. Children participated in many kinds of races as well as the pie eating contest, an event that always attracted a large gathering.

The prizes were as follows: \$100 for 1st place in Senior Baseball, with \$50 paid to the team in second place and \$25 for each of the third and fourth place teams. First place in the Boys Junior Tournament brought \$50 to the winning team, with the same amount paid out to the Ladies Softball team winning first. The Elk Point teams were always competitive and won more than their share of tournaments.

Some of our better known baseball players of that era were Bill Bartling, Russel Milholland, Henry Selland, Lloyd Lambright, Oscar Holthe, Jens Aarbo, Frank Keitges, Harry Ramsbottom and George Bartling.

During the late 1920s money was scarce but somehow we managed to find a dollar or two to spend at the concession booths set up on the grounds during the 4th of July celebration.

At one time the sidewalks in Elk Point were made of wooden planks, laid about a half an inch apart, a space just wide enough to allow coins to disappear when accidentally dropped. Usually on the Sunday preceding the 4th of July Sports Day some of us boys would go down on our hands and knees and crawl down

Early 4th of July celebrations

both sides of the sidewalk looking for lost nickels, dimes and quarters. When we located one, we would place a wad of gum on the end of a stick, heat it with a match and easily fish the coin out. We usually ended up with two sore knees and a worn out pair of pants. It was surprising what a nickel would buy in those days. You could purchase an ice cream cone, a big chocolate bar or a box of sugared popcorn or a bottle of soda pop. If you wanted to get extravagant and spend a dime, you could buy a hot dog, a double scoop of ice cream or a piece of delicious cream pie. Ice cream was everyone's favorite treat during these sports days. It was shipped from Edmonton in large cylinder cans, packed with dry ice in an insulated outer container. On a hot day the supply of ice cream soon disappeared.

These 4th of July celebrations were always popular and were well attended. Visitors, who had previously left our district, always came home on the 4th of July. They found this event a good place to renew their acquaintances. The day always ended with a mammoth outdoor dance held on the grounds in an outdoor pavilion specially built for the occasion. This dance never ended till sunrise and usually everyone had a good time.

These 4th of July celebrations were held for many years. During the war the date was changed so it would fall on a Saturday or Sunday, a day which was more suitable for those holding down jobs. While they lasted, they provided Elk Point and district with a lot of good entertainment.

T.I.C. Talk

Sherry Pelech
Tourist Information Clerk

There may be some confusion about what hours we are open at the Tourist Information Centre (TIC).

Monday - CLOSED**Tuesday - CLOSED****Wednesday - 10 a.m. to 6 p.m.****Thursday - 10 a.m. to 6 p.m.****Friday - 11 a.m. to 7 p.m.****Saturday - 9 a.m. to 5 p.m.****Sunday - 9 a.m. to 5 p.m.**

I hope this clarified things for you. And if you think you

get confused, you should see my schedule!

I would also like to clear up something else. When the TIC is open the door is NOT locked. It does, however, stick rather badly - so be aggressive.

Things are slow at the TIC but not too bad for this time of year. Camping season doesn't start for another week or so. And speaking of camping - it's good out at Ross Lake. But, because of the dry weather, the lake level is down and the boat launch is inoperable. The

Here comes summer

boat launch is still well in the water at Whitney Lake. And reports are that fishing is great at Kehewin.

ALBERTA BEST

Over thirty employees of businesses in the Elk Point and St. Paul areas are taking part in a two evening Alberta Best Seminar sponsored by Elk Point Chamber of Commerce and St. Paul - Smoky Lake Community Futures. Watch for great service from local businesses as a result of this!

WHAT'S NEWS AT THE LIBRARY?

DO YOU REALLY HAVE TO GO? - Library Board Chairman Daphne Schnurer (left) presents retiring Librarian Doreen Mayner with a farewell gift, and tells her how much her efforts will be missed.

Librarian retires

This is Doreen Mayner's final week at Elk Point Public Library after almost 12 years during which she saw substantial increases in the material collection, the addition of other paid staff members, and constant growth in both circulation and volunteer help.

Mrs. Mayner also saw the library move from cramped quarters in the Town Office to the spacious and well lighted new building. Longtime volunteer Anna May Warren credited Mrs. Mayner with getting the building built in the first place: "She knew just what strings to pull," Mrs. Warren said at last Wednesday's retirement tea, as a good number of present and former Library Board members, volunteers and friends gathered to wish their favorite librarian a happy retirement.

Another longtime volunteer, Lena Stepa, remembered Mrs. Mayner's first day on the job. "She asked Ila [Borowski] and I what she was supposed to do." Since then, Mrs. Stepa said, Mrs. Mayner has taken numerous courses and ended up a very knowledgeable librarian.

Faye Smith, a library employee before becoming a member of the Board, quipped "She was my boss, and now I'm one of hers!"

Mrs. Mayner had a few reminiscences of her own. "I got this job by being on the Library Board. When Diane Wolanuk resigned as librarian, they [the Board] started with the person who had been on the Board longest and worked down. I had only been on the Board for a few months, but when they offered me the job I grabbed it." Mrs. Mayner has loved the job, the people and the paperwork "by learning to make snap decisions" on immense volumes of mail. Hours of opening have increased from twelve to sometimes nearly forty hours per week, and story time was introduced as a way of getting

preschoolers ready to use the school library. Mrs. Mayner thanked Town Council for their "tremendous support" over the years, and commented on the hard work former Councillor Adele Mandryk had done on getting the Northern Lights Library System Headquarters located in Elk Point. Mrs. Mayner closed by saying "it's a dream job. I hate to give it up."

Town Councillor Lawrence Pidluzny thanked Mrs. Mayner on behalf of Council, and said that Council was working hard to keep services like the library going. "It's going to be a struggle," he said, noting that groups such as the Friends of the Library are a big help.

Library Board Chairman Daphne Schnurer, who also was a former library employee, presented Mrs. Mayner with an engraved gold watch, along with sincere thanks for all her efforts on the Library's behalf.

Heather West of Northern Lights Library System presented Mrs. Mayner with a gift from the Librarians' Council and said the retiree was "very supportive of the System." Mrs. Mayner also received a little mascot to take with her on her retirement travels from former Board members Adele Mandryk and Billie Milholland.

Thanks from retiring librarian

Doreen Mayner

Librarian

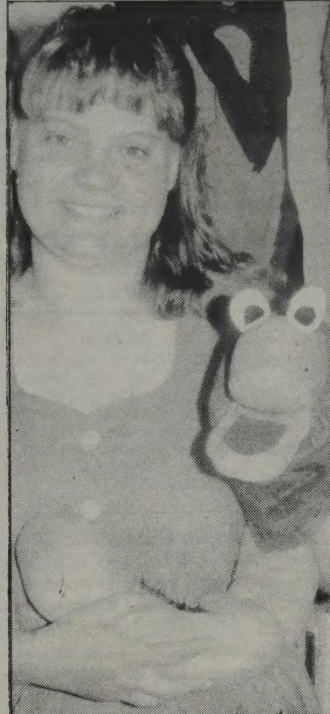

I would like to thank the Library Board for arranging the Retirement Tea in my honor on June 16, and all those who attended. Thank you for all the kind words spoken and the lovely gifts. I will certainly miss the job and especially all our patrons, volunteers, board members and staff.

The Elk Point Public Library Board and staff would like to thank Irene Miller for her monetary donation to the library. Donations such as this are very much appreciated.

Travelling Tales visited the Heritage Lodge on Friday, June 11 and great stories were heard by the children and residents alike. This Friday's story time will again be presented at the Elk Point Municipal Hospital, where we were warmly welcomed last Friday by staff and residents.

The Summer Reading Program is well on its way with several children signed up and ready to go! The Elementary age group starts Tuesday, July 6 at 10 a.m. and the Preschool group on Friday, July 9, also at 10 a.m. Our Summer Reading Program theme is "Book To The Future," with a focus on becoming environmentally friendly.

For that reason, we have decided to decorate our Canada Day Float using recycled items. If any of our Summer Reading Program participants have any ideas, or spare time, and would like to help decorate our float, please call Gayle at 724-3737. We would be glad to hear from you. Ernie!

GAYLE AND ERNIE

nie the Earthworm has now taken up residence at the library for the summer. As the Summer Reading Program mascot, he cannot wait to meet everyone in Elk Point. When you visit the library, be sure to stop and say "Hi!" to Ernie!

A new children's book in the library is **The Stinky Cheese Man and Other Fairly Stupid Tales** by Jon Scieszka. This is a hilarious account of several fairy tales including **The Really Ugly Duckling**, **Little Red Riding Shorts** and **The Princess and The Bowling Ball**. This may be a children's book but the adults will find it very entertaining as well. One of our new junior books is **The Littles and the Trash Tinies** by John Petsum. To discover what the Littles find in the city below the garbage dump you need to read this book!

Stoney Lake stampedes into 31st year

The 31st Annual Stoney Lake Stampede carried on its longstanding tradition of fun, food and frolic this past weekend, with two performances at 5 p.m. Saturday and 2 p.m.

Sunday seeing the Lakeland Rodeo Association's top competitors in action, with Dave Hutton in the announcer's box.

Block Bros. rodeo stock

TIGHT TURN FOR SECOND PLACE TIE - Erica Nielsen makes a tidy turn despite very loose footing to earn a tie for second place in Junior Barrel Racing.

WILD AND WOOLY - Topping the Mutton Busting competition was local cowboy Chad Bochon (right) while Ben Walters placed second.

NEW GENERATION CARRIES ON TRADITION - A new generation of the Block Bros. rodeo family is already picking up the rodeo trophies. Briar (left) and Brianna Block had a nice Father's Day surprise for daddy Cal when they won the Best Dressed trophies at Stoney Lake.

proved more than a match for many of the cowboys in the rough stock events. Former area resident Ted Hehr was among the few who held on to the Bareback broncs, and took home the Norcen Energy Resources trophy for a 74 point ride on 'Pretty Boy' at Saturday's performance. Darrell Wickham of Elk Point, on 'Cheap Shot,' and Dwayne Detchon of Lloydminster, aboard 'Art,' each marked 70 points to tie for second and third spot.

Saturday was also the best day for the Saddle Broncs. Dean Komant scored a 70 on 'Remember Me' for the Zarowny Motors trophy, while Boyd Mahon was two points back with a 68 on 'Handsome John.' Dean McDonald placed third with 66 points on 'Red Top.'

Sunday's score was Bulls 8, Cowboys 1, after a similar result Saturday night, when Jeff Turnquist scored 74 on 'Pretty Boy.' The best was saved for last, with Sunday's final bull rider, Stuart Anderson of Grand Centre, providing a crowd pleasing ride on 'Grumpy' to mark 77 for the Dale Real Estate trophy.

Denny Golden led the Junior Bull Riding with a 69 coming in to Sunday's show, and went unrivalled as all three riders bit the dust. Junior Bull Riding was sponsored by Paul Caouette and Sons.

Entries in the timed events were many, and competition for the calf and team ropers came from wily stock as well as the other ropers. Daryn Knapp led the Calf Roping with a 10.6 in Saturday's ground for the Dave's Manure Hauling trophy, while the

final pair in Sunday's Team Roping, Marty Lilloco and Dennis Johnson, tied up the Wozniak's Bulk Service trophy with a 7.5 second run.

John Firsch led the Steer Wrestling with a rapid 5.6 seconds for the Bochon's Imperial Oil trophy.

Sunday's first competitor in the Ladies Barrel Racing was Lana Green, who bumped Saturday's leader, Kelly Barr, by a full half second to trip the timer at 16.39 for the Elk Point Insurance and Realty trophy.

Ann Marie Walker, currently sitting third for the season, clocked in at 17.15 to win the Junior Barrel Racing trophy from Vogel's UFA. Two local cowgirls, Erica Nielsen and Pam Veer, tied for second money with identical 17.28 second runs.

Sunday's intermission was fun time for the littlest cowpokes. A brother-sister duo,

Briar and Brianna Block, took home the Best Dressed Cowboy and Cowgirl trophies, donated by Beaver Lumber and Lloydminster Heavy Crude Services. Chad Bochon and Ben Walters were the wildest and wooliest Mutton Busters for trophies from JEM Oilfield Services, while Peter Danyluk and Lyndon Krankowsky took home the Calf Scramble trophies from Wolanuk's Fashions and Foods.

In addition to the rodeo action, a rodeo dance kept Saturday's action going into the wee hours, and a free pancake breakfast got Sunday off to a great start. Breakfast sponsors included Stoney Lake Stampede Association, Jorvik Welding, Tirecraft, Phil's Hardware and Variety, St. Paul and District Co-op, Lakeland Meat Processors, Speedee Mart, Fountain Tire, Agland Farm Equipment and St. Paul Auction Mart.

CALF CATCHERS - Peter Danyluk (left) was the first to bring in a balloon in the Calf Scramble, with Lyndon Krankowsky not far behind.
